RSA AUTOMATION PACKAGE**

Are you Getting the right Shade for your Silk ?

Industry : Natural Silk Dyeing

HOW YOU CAN GET THE CORRECT SHADE AND CARRY OUT THE PROCESS MORE EFFICIENTLY ?

RSA automation can provide you the complete automation for the silk dyeing process.
Benefits of our system

- The optimization of the steam, water and power utilization for complete batch
 - The reduced process time giving higher production
 - The required shade is achieved by PLC based system which provides required temperature profile.
 - Latest instruments used for the process and very low maintenance.
 - Proven design to provide low downtime and higher productivity.
- for further details please contact :
